

April Newsletter

This month we will be focusing on a Farm/Spring/Easter topic. We will be learning about seasonal change, farm animals and their young, farm produce and growing. We also will be celebrating some Easter traditions and learning about the life cycle of the chicken this week. Our colours will be green and yellow for this topic and our shape focus will be the oval.

Tomorrow the preschool aged children who are preparing for Primary 1 will receive a skills booklet. We really recommend you take the time to look at some of the suggested activities to help your child's development at home.
